

Our Direct Support Professionals (DSPs) are thoroughly vetted with Level 1 Fingerprint Clearance Cards and Article 9 training, providing a trauma-informed, cooperative approach

COMPANIONSHIP & DAILY ASSISTANCE FOR YOUR LOVED ONES

Caring for an aging parent, an individual with developmental differences, or recovering from surgery requires more than just clinical visits. It demands consistent, trusted companionship.

M-Tee's matches certified direct care professionals with your family to assist with daily living needs, keeping your loved ones comfortable and independent at home.

OUR PERSON-CENTERED SUPPORT:

- Activities of Daily Living (ADLs): Dignified, gentle assistance with bathing, dressing, grooming, mobility, and transferring.
- Essential Companionship: Reading, light housekeeping, healthy meal preparation, and consistent, reassuring medication reminders.
- Specialized Autism/Neurodivergent Care: Deep personal experience navigating sensory and cognitive care. Our direct care structures can coordinate seamlessly alongside DDD pathways.
- Private Pay Flexibilities: Clear, flat-rate hourly billing without surprise add-on fees.
